

Title	Delineation of important habitats of threatened plant species in south eastern New South Wales
Abstract	Research report to the Australian Heritage Commission, December 1990 by J.D. Briggs and J.H. Leigh. Detailed reports of field surveys in SE NSW for 11 of the 25 endangered species and 11 of the 79 vulnerable species within the report area. The surveys were conducted over a three year period and commenced in April 1986.
