

<b>Title</b>	State Forest
<b>Abstract</b>	Dedicated Legal State Forest Boundary (6mb full extent shapefile download) as defined by Cadastre. Some boundaries may not match current cadastre as maintained by the Department of Finance, Spatial Services. From 2013-2016 FCNSW undertook the project to remap and verify dedicated state forest areas with the current cadastre at time. Shifts in cadastre since the "Estates" project may not be replicated in the Legal State Forest Boundary.
