

Title	Vegetation Survey of Quanda Nature Reserve. VIS_ID 800
Alternative title(s)	QuandaNR_E_800
Abstract	<p>Vegetation Map of Quanda Nature Reserve with Millyvale Addition. Original reserve area mapped 1998, Millyvale addition mapped 2003. The composition and extent of the present vegetation within Quanda Nature Reserve, including the recently acquired Millyvale property, is described and mapped at 1: 50 000 scale from intensive quadrat samples, field traverses and aerial photograph interpretation. Map digitised from Porteners (1998) & (2003).</p> <p>VIS_ID 800</p>

Lineage

Black and white aerial photographs at 1:80 000 scale (taken in January 1988) formed the basis of the vegetation map polygons. The images were interpreted stereoscopically for patterns of vegetation and geomorphology, and matched to the vegetation site data. A provisional vegetation map was drafted and the linework and boundaries checked during ground-truthing in December 1997. The study area was traversed and particular sites investigated to confirm polygon labels and resolve vegetation boundaries. The final vegetation polygons were then transferred and corrected to the 1:100 000 topographic map sheet, enlarged photographically to 1:50 000 scale and coded, ready for digitising into a geographic information system.
